DEAR SIR OR MADAM

I am pleased to present to you my resume in application for the position of E.S.L teacher at your school. I believe I am a great candidate for the job as I am hard working, goal orientated and dedicated. My passion for languages and cultures has guided me to make the decision to become an E.S.L teacher. Teaching young students has always been a passion of mine, I believe I have a great personality to work with young learners and will create a wonderful positive learning atmosphere for students to excel in and enjoy the learning experience.

I completed my online TEFL course of 140hrs to further equip myself for the ESL position. The course really helped develop my skills and knowledge of ESL teaching. My boyfriend, who's from South Korea, has motivated me to go teach in South Korea. He emphasized the need for good, sincere and committed English teachers in his country and that I would be a good candidate for the job. My love for travel and learning about foreign cultures also encouraged me to go to South Korea to become an ESL teacher.

Educating the youth has always been important to me, and I have always wanted to make a positive impact in a young persons life. I have had the opportunity to tutor an ESL student in the local community; this gave me the chance to help an underprivileged youth improve her English language skills. I also volunteered at the Fisantekraal Kindergarten: Drie Beertjies, and I really loved working with young children. During this year I became a youth leader at Hillsong Church; being a mentor and leader to youth has been very enriching to me. My volunteer experiences have helped me to become confident with teaching and mentoring young learners.

It would be an honor to gain the opportunity to work at your school. I would appreciate an interview opportunity to further discuss how my experience and qualification would best suit the needs of your students. Please don't hesitate to contact me via skype/email for any further information. I look forward to hearing from you at your earliest convenience.

Thank you for your time and consideration.
Kind Regards,
Jeanie Roth
