PROFESSIONAL SUMMARY

As a dedicated and experienced Teacher, I have over 5 years of hands-on experience in developing and implementing engaging lesson plans for students of all ages. Through my strong communication skills and ability to adapt to varying learning styles, I have consistently achieved high levels of student engagement and academic success. My biggest achievement as a teacher has been creating a positive and inclusive learning environment where students feel motivated and excited to learn. My best qualities include patience, creativity, and strong problem-solving abilities, which have allowed me to effectively handle challenging classroom situations. With my strong passion for teaching and my excellent organizational skills, I am confident that I can make a valuable contribution to any educational institution.

EXPERIENCE

Teacher 1st-6th

Twin.kle, Songdo, Incheon

April 2024 - Now

My role involved facilitating engaging activities, and assessing and informing parents of student progress weekly. I also worked closely colleagues to ensure a supportive learning environment.

- Implemented Non-Fiction and History lesson plans.
- Facilitated engaging and interactive Grammar activities.
- Monitored and assessed student progress Weekly.
- Fostered a positive and inclusive learning environment.

Teacher K-8th grade

Wonderland Songdo Campus, Songdo, Incheon

April 2023 - February 2024

Teaching kindergarten, elementary, and middle school students and became the head teacher. Then I became the new curriculum developer, and helped build and implement new administrative test. My duties also included caring for young students, cleaning classrooms, running P.E, Creating and building games for school events, monthly reports, Parent teacher conferences, improving work schedules, and overall helping with all school duties.

Teaching Kindy+

Joylab, Kids Cafe, Gyeonggi-do, Suwon

April 2022 - April 2023

Teaching students of different ages and levels. I helped find supplemental materials and worked with the curriculum developer to help change and improve the curriculum and monthly events. One of 2 head teachers to help prepare lessons and prep for the weekly curriculum alongside camps and monthly curriculum.- Alongside completing daily and weekly students comment's and recommending students who's English speaking abilities could help them level up or who needed more time.

Teaching 5-8yr old's

Francis Parker, Dunsan-dong, Daejeon

2021 - 2022

Teaching grades 1st-6th

Chungdahm April academy, Daejeon

April 2019 - April 2021

As a dedicated teacher at Chungdahm April academy, I had the privilege of teaching grades 1st-6th. It was a rewarding experience to guide my students through their formative years and help them develop a love for learning. With my passion for teaching and strong classroom management skills, I was able to create an engaging and supportive learning environment for my students.

- Developed lesson plans for various subjects
 - Implemented innovative teaching methods
 - Provided individualized attention to students
 - Encouraged student participation in class discussions
 - Maintained open communication with parents
 - Tracked student progress and provided feedback
 - Organized class activities and events
 - Collaborated with colleagues to improve curriculum
